

## The Thing About God

...is that He knows.

So there is no harm in honest discussion.

He knows what I really like.

Even when my desire appears to be out of reach, or not suited for me, or me for it.

Therefore I don't have to lie to myself when desires go awry. I am free to be in touch with my feelings.

Although all thoughts may not be pleasing, there is no condemnation from God.

Rather, there is honest confession that "This is me. As wrong as I maybe, You must change me."

I can tell Him, even when your knowledge would bring embarrassment.

And in confession, there is change.

## Psalm 51:10 KJV

Create in me a clean heart, O God; and renew a right spirit within me.
